National Change of Address (NCOA) update service!

NCOA is an automated address update service designed to improve deliverability of your mail pieces. The system utilizes the United States Postal Service change-of-address information collected for the previous 48 months. This is the most up-to-date database of names and addresses available.

Using this service to update your mailing list...

- Significantly reduces the number of undeliverable & returned pieces
- Saves you money by cutting both outgoing postage charges & possible return postage charges
- Improves the quality of the addresses on your mail pieces assuring faster delivery

This service is efficient, easy to use and cost effective. It costs just \$60 to update a list containing 30,000 addresses, and can usually be completed in one business day.
